

Crescent Point Energy Announces Filing of Preliminary Short Form Base Shelf Prospectus

CALGARY, ALBERTA--(Marketwired - July 10, 2015) - Crescent Point Energy Corp. ("Crescent Point" or the "Company") (TSX:[CPG](#))(NYSE:[CPG](#)) announces that it has filed a preliminary short form base shelf prospectus (the "Prospectus") with the securities regulatory authorities in each of the provinces of Canada, and a corresponding registration statement with the United States Securities and Exchange Commission under the Multijurisdictional Disclosure System. Filing of the Prospectus is expected to increase Crescent Point's flexibility in future financings and is normal practice for a company of Crescent Point's size. It is also expected to assist the Company in expanding the size and scope of its shareholder base.

The Prospectus will allow Crescent Point to offer and issue common shares, subscription receipts, warrants, options and debt securities by way of one or more Prospectus Supplements at any time during the 25-month period that the Prospectus remains in place. The securities may be issued from time to time, at the discretion of Crescent Point, with an aggregate offering amount not to exceed \$2.5 billion (Canadian). Unless otherwise specified in a Prospectus Supplement relating to a particular offering of securities, Crescent Point intends to use the net proceeds from the sale of any of the securities for general corporate purposes, repayment of indebtedness and/or the direct or indirect financing of future growth opportunities, including acquisitions and capital expenditures.

A registration statement relating to the securities has been filed with the United States Securities and Exchange Commission but has not yet become effective. The securities may not be sold, nor may offers to buy be accepted, before the registration statement becomes effective and the final short form base shelf prospectus is filed. This news release shall not constitute an offer to sell or the solicitation of an offer to buy the securities nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction.

A copy of the prospectus included in the Registration Statement can be accessed through SEDAR at www.sedar.com and EDGAR at www.sec.gov.
